

Application No.: 10/047,608
Response dated March 10, 2005
Reply to Advisory Action of December 23, 2004

REMARKS

Favorable consideration of this application is respectfully requested.

In the Advisory Action mailed December 23, 2004, the Examiner asserted applicants' response after final rejection failed to place the application in condition for allowance. Applicants have cancelled claims 1-26 herein and provided new claims 27-41. It is respectfully submitted that these new claims are patentable over the art of record, i.e., Fitch et al.

In view of the foregoing, this application is believed to be in condition for allowance. Such early and favorable action is earnestly solicited.

Respectfully submitted,

Michael R. Brew
